	Subject - Memo No. D 2119-25/Cs 2-26-10 d. 17.8.28, the Regr was authorised to appoint pro-rata clerks on Rs 2½-80 for every increase of 75 Societies in each Dist. The Regr now wants that a clerk should be entertained wherever there is an increase of 75 Societies for the whole State the clerk so permitted to be entertained being attached to the Dist offices where work is heavy. The principle on which the Order of August 28 was passed appears to be that increase of 75 societies in a Dist entails heavy clerical work in that Dist office, warrs the entertainment of an addl clerk. The same cannot be said, where there is an increase of 75 Societies for the whole State. Addl work may be involved but it may have

been so distributed among the Dist offices that work in any particular Dist office may not be appreciable – In the case of the Bangalore & Mysore Dist offices however the statistics furnished shows that increased work has been thrown on these offices – Although the principle enunciated by the Regr cannot perhaps be accepted the proposal to entertain an addl clerk to each of the above Dist offices appears tenable –

Sir,

37-28-6 ×5635

Adverting to para 7 of Government Order No.D.6631-2/C.S. 37-28-3 dated 22nd December 1928, directing me to submit proposals for the additional ministerial staff required by some of the offices of the Assistant Registrars of Co-operative Societies, I have the honor to state as follows:-

2. The four Divisional Offices were constituted by Government in their Order No.L.6151-4/C.S.37-22-4 dated 6th March 1923, i.e., nearly six years back and each office was allotted four clerks. At the time, the number of societies in the several Divisions was as noted in the margin. These Divisional offices have to deal with the correspondence and suits relating to the societies situated in their respective Divisions. The number of societies has considerably increased during the last six years in spite of the cancellation of the registration of nearly 300 societies during the same period, and the present strength is as noted in the margin showing a net increase of 369 as compared with the number on

on 30th June 1923. There has been no increase in the ministerial staff and each Division consists of only four clerks. I need hardly add that the Divisional Offices are naturally undermanned. I am of opinion that the present staff of four clerks cannot attend to the correspondence etc., of more than 400 societies, and the necessity for the immediate increase of the clerical staff has been particularly felt in the Bangalore, Mysore and Tumkur Divisions where the number of societies at is 103, 114 and 58 respectively more than the number that could be managed by the four clerks viz., 400.

3. Government have, in their order No.D.2119-20/C.S.2-26-1 dated 17th August 1928 sanctioning the reorganisation of the Co-operative Department, sanctioned the appointment of pro-rata clerks on 25-2½-50 for every increase of 75 societies in each Division over the number on 30-6-1927, viz 150. I have already stated in my letter No.1713/C.S. dated 12th September 1928, that the effect of the said order would be that no additional clerks can be appointed as an increase of 75 societies in one Division is a matter of at least two years and I requested that I may be empowered to appoint pro-rata clerks on 25-2½-50 for every increase of 75 societies in the whole State and post them to Divisional offices where the work is heavy. In view of the rapid increase in the number of societies in the Districts, I request that Government may be pleased to strengthen the clerical staff of the Divisional offices of Bangalore and Mysore by the addition of one clerk on 25-2½-50 to each office. The additional cost involved in the proposal for the current year can be met out of the lumpsum grant of Rs. 10,000/- provided under "Revision to Inspectors" in the current year's sanctioned budget grants of the Department.

~~Development Department~~, Bangalore.

Sir,

With reference to your letter No.D.10471/C.S.37-28-9 dated 12th April 1929 forwarding a copy of letter from the Comptroller to the Government of Mysore in regard to the allocation of hands of the Department and their starting pay, I have the honour to state as follows:-

In the Government Order dated 24th December 1928, Mr.B.Suryanarayana Rao, B.A., has been appointed Manager and started on a pay of Rs.100/- in grade Rs.100-5-125. Prior to this, he was in receipt of a salary of Rs.77/- as subprotem Inspector. As he assumed charge as Manager only on the forenoon of the 25th December 1928, his salary for the month was claimed at Rs.77/- for 24 days during which he was in charge of the Bangalore City Circle as Inspector and for the remaining 7 days at the newly sanctioned rate of Rs.100/-. For the reasons stated in his letter the Comptroller has admitted his salary for the fraction of the month from the 1st to 24th at Rs.75/- instead of Rs.77/- (that claimed in the bill) and has disallowed the differen of Rs.1-9-0 for 24 days. In view of the fact that he has continued to draw the same salary from 1-2-1926 and that his pay sanctioned after the allocation of hands has resulted in an increase, I request that Government may kindly be pleased to instruct the Comptroller to waive the objection taken by him.

With regard to para 2 of the letter. I beg to state that the statement of the distribution of appointments on different grades of pay in the ministerial ranks among the head office and the four divisional offices forwarded to Government with this office letter No.3539 dated

dated 9-1-29 has been approved by them in their order No.D.8307-08/CS 37-28-7 dated 16-2-29.

Regarding the last para of the letter, I beg to state that Gover ment have sanctioned 5 additional permanent peons in their order dated 17th August 1928 as the strength of the Inspectorate was raised from 30 to 35. Prior to the reorganization, there were 32 temporary peons on Rs.11/- each, of whom 30 were working under the 30 Inspectors and 2 under the 2 Sub Assistant Registrars, (vide Government Order No.D. 9677-8/C.S.115-27-2 dated 13-3-28). Out of the 5 additional permanen hands, 2 were appointed to work under the 2 Sub Assistant Registrars, leaving 3 permanent peons and 32 temporary peons to work under the 35 permanent Inspectors. In view of the fact that there should be a uniformity among the peons of the permanent Inspectors (as distinguished from the pro-rata staff), I request that the temporary establishment of 32 peons above referred to may be made permanent, so that there may be in all 35 permanent peons on Rs.11/- each working under the 35 permanent Inspectors. This does not involve any extra cost. I may add that the menial establishment working under the permanent Inspectors was permanent prior to 1918.

I have the honour to be,
Sir,
Your most obedient servant,

JCHRamayya
